

The Fine Print: Lil' Kickers Policies

- **Price:** *Prices for Lil' Kickers vary at each franchise. Check with your Director, and be sure you're aware of your current pricing for all classes.*
- **Free-Trial Classes:** All new customers are welcome to try out their first class for free! Only one free trial is allowed per child. *Check with your Director to learn your franchise's process for signing up for a free trial.*
- **Open Enrollment:** You can sign up for a class at any point in the session.
- **Prorated Payment:** Payment mid-season is prorated. You will only pay for the classes remaining in the session. If there are 10 classes left, you'll pay for 10. If there are 4, you'll pay for 4. You get the idea :)
- **No Drop-in Classes:** Drop-in classes are not allowed. You must attend the specific class you're registered for. The only exceptions are make-up classes.
- **Make-up Classes:** If you miss your registered class, you may do a make-up in any class with space available. Make-ups must take place during the session in which the class was missed. We do not give refunds for missed classes.
- **Age Restrictions:** Kids may only enroll in classes for their age group. We offer age-appropriate classes for all children ages 18 months to 7 years old. Reach out to your Lil' Kickers Director for exceptions.
